

CIUDAD REAL, SPAIN · SINCE 2010

YOUR SOURCING PARTNER IN SPAIN AND PORTUGAL

Spanish food exporter, IFS Broker certified. We buy outright at source, check, consolidate and deliver with the paperwork in order, outside the EU too, with lot-to-destination traceability.

WHO WE ARE

A FAMILY TRADING HOUSE FROM THE HEART OF LA MANCHA

CLAAAN EXPORT was founded in Ciudad Real in 2010. Our family roots go back to the 18th century in Las Labores de San Juan, among vineyards, saffron fields, olive groves and almond trees.

Today we work as the external purchasing department of importers and distributors across Europe: we find the right producers, buy on their behalf and take the goods to their door.

Our own brand, ANCHA Castilla, carries the same promise to the shelf: products with quality and tradition.

LOT

Our own traceability system: every

block it. Tested every year in our
IFS audit.

OUR FLAGSHIP

EXTRA VIRGIN OLIVE OIL WE KNOW FROM THE GROVE

Organic Cornicabra extra virgin olive oil from La Mancha, under our own brand ANCHA Castilla.

- Natural rested decantation: the golden colour is a quality sign, not a filter
- Formats for retail, food service and gifting

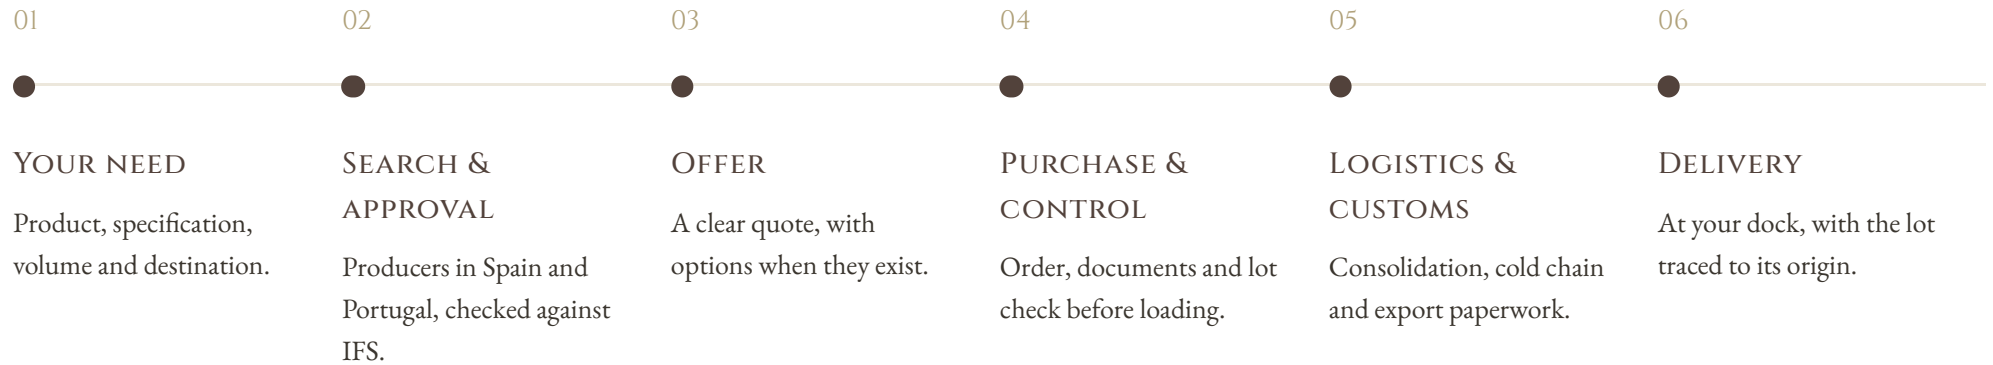

CUSTOM EDITION · 2026
